

EDUCATION

- Sep. 2012 - Sep. 2014 **University of Waterloo, School of Architecture** Cambridge, ON
Master of Architecture
- Sep. 2005 - Aug. 2010 **University of Waterloo, School of Architecture** Cambridge, ON
Honours Bachelor of Architectural Studies

WORK EXPERIENCE

- Oct. 2014 - Present **DTAH** Toronto, ON
Intern Architect

- Currently working directly with a partner on a private residence in Forest Hill in its schematic phase, and in preparation for Committee of Adjustment hearing and building permit. Responsibilities includes space planning and design, 3D-modeling of interior and exterior spaces, as well as communications with clients.
- Participated in the compliance review of the PanAm Athlete's village for both unit and game spaces on site for substantial completion.
- Involved in the schematic design of a public realm project in Ottawa.

- Jul. 2013 - Nov. 2013 **Philip Beesley Architects** Toronto, ON
Architecture Researcher, ACADIA 2013 Conference Coordinator, Mitacs Intern

- Involved in research of interactive architecture, and traveled to South Korea as a core team member for installing the Epiphyte Chamber exhibition at the National Museum of Modern and Contemporary Art (MMCA) Seoul
- Editing ACADIA 2013 Conference proceedings and related publications.
- Conducting communications with keynote speakers and installation teams to determine conference exhibition logistics
- Coordinating and inquiring event venues, catering and transportations for the conference and workshop.

- Jan. 2013 - Apr. 2013 **University of Waterloo, School of Architecture** Cambridge, ON
Arch392 Design Studio Teaching Assistant

- Gave frequent desk critiques to students regarding project progress, design and technical resolutions. Attended and reviewed student projects along with professors and guest critics at panel reviews.
- Assisted professors in preparing assignment outlines and class material, as well as project marking.
- Acted as assignment proctor and student liaison to facilitate project submissions and queries.

- Jan. 2011 - Aug. 2012 **CS&P Architects** Toronto, ON
Intern Architect

- Heavily involved in the construction documentation of Saskatoon Police Service Headquarter. Responsibilities include millwork design, construction detailing, specialized space and equipment planning, as well as consultant coordination.
- Contributed significantly in the design competition of Saskatoon Police Service Headquarter by generating 3D models and elevation renderings.
- Largely involved in a renovation project for the Crescent school in Toronto. Responsibilities include construction detailing, mechanical, electrical and site coordination.
- Completed a design and signage package for donor recognition at the Tanenbaum Community Hebrew Academy of Toronto. Responsibilities included communications with school faculties, design, graphics, detailing and quote inquiries.
- Completed thorough training of Revit 2012 by building a detailed Revit model with seven other core training team members.

- Nov. 2010 - Jan. 2011 **Reich+Petch Design International** Toronto, ON
Junior Designer

- Involved in the design development of the War of 1812 exhibition at Old Fort Erie. Participated in the production of presentation and tender drawings.
- Participated in the schematic design and rendered interior perspectives for an interior design competition for the Toronto Ismaili Centre.
